RESPONSE TO RESTRICTION REQUIREMENT

Sir:

In response to the Restriction Requirement, dated October 2, 2002, for the above-identified patent application due November 2, 2002, the Applicants include the election of the invention to be examined, along with a Supplemental Information Disclosure Statement, a Form-PTO 1449, and copies of the art listed that are not currently of record.

The Examiner has required the restriction of the above-identified patent application under 35 U.S.C. § 121 to the following two groups of claims:

(1) Claims 1-17, drawn to methods for treating melanoma, classified in Class 514, subclass 2: and

(2) Claims 18-20, drawn to methods for marketing pegylated interferon alpha, unclassified.

In complete response to the Examiner's requirement, the Applicants elect to prosecute Claims 1-17, drawn to methods for treating melanoma, without traverse. Claims 1-17 therefore remain for examination.

SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

The Applicants submit the enclosed: (i) Supplemental Information Disclosure Statement, (ii) Form-PTO 1449, and (iii) copies of six references listed (as CC-CH) on the Form-PTO 1449, not currently of record. The Applicants have corrected typographical errors on the Form-PTO 1449 (in bold) and have more particularly identified three Abstracts as BR1, BR2, and BR3 respectively. These three Abstracts had been collectively identified as document BR on the earlier-filed Form-PTO 1449. The Applicants also resubmit a copy of a single page reference that comprises these three Abstracts for the Examiner's convenience.

No fees are believed to arise due to this filing, however, if any fees are required, the Commissioner is hereby authorized to charge any required fees to Deposit Account No. 19-0365.

The Applicants believe that the next step in the prosecution of this Application should be in the form of a Notice of Allowance and such action is respectfully solicited.

If the Examiner should have any questions regarding this Amendment and/or patent Application, she is encouraged to contact the undersigned attorney.

Respectfully submitted,

Michael D. Davis
